

TRUST HOUSE FOUNDATION ANNUAL REPORT 2014

TRUST HOUSE FOUNDATION ANNUAL REPORT 2014

The grants list which follows, examples the practical implementation of our primary purpose: to enhance the quality of life in our communities. Each grant decision results from a robust process that is open and accountable to the community.

- Applications are received either from the advertised process or Trustees’ knowledge of, and involvement in, the community.
- The community elected Boards of Trustees in Flaxmere, Masterton and Rimutaka, as representatives of the community, complete a thorough screening process, usually monthly, and recommend to the Trust House Foundation, what grants should be supported, and to what extent. This is, in effect, the most important part in the process because the recommendations represent the considered greatest needs of the communities.
- Trustees of the Trust House Foundation then approve (or decline) these recommendations.

CONCLUSION

The detailed list of grants which follows represents the very wide colour and fabric of our communities. It is a pleasure to represent the community adjudicating the decisions on what to support. While decisions are often difficult, to see how each organisation contributes to a better community is a privilege not taken lightly.

KOKOMAI
CREATIVE
FESTIVAL

The Wairarapa Arts Festival Trust were thrilled to have Trust House support as their major sponsor for the inaugural Kokomai Creative Festival in 2013

Partnering with Trust House enabled the festival to develop and deliver a high quality, diverse arts festival programme involving local, national and international participation, which reached the rural doorsteps of our region.

With Trust House backing, the Kokomai Creative Festival in 2014 will continue to inspire and support the arts by presenting three “off year” events which will include a performance from the New Zealand School of Dance, a Pecha Kucha evening and technical support for the Primary School Kapahaka Festival.

Planning is well underway for the next Kokomai Creative Festival, which will run over 10 colourful days throughout the Wairarapa from 16th-25th October, 2015.

DATES FOR THE 2015 KOKOMAI CREATIVE
FESTIVAL ARE CONFIRMED AS 16-25 OCTOBER.

COBBLESTONES MUSEUM

Trust House contributes to exciting times ahead for Cobblestones Museum

ARTISTS IMPRESSION OF THE NEW ENTRANCE BUILDING FOR COBBLESTONES MUSEUM ON MAIN ST IN GREYTOWN, DUE FOR COMPLETION JUNE 2014. WWW.COBBLESTONESMUSEUM.ORG.NZ

The new entrance building for Cobblestones Museum is well underway and with a completion date of mid June identified, detailed planning for the exhibition development and fit-out of the new exhibition spaces has begun.

The goals of the new entrance building were to allow Cobblestones to have professional, innovative exhibits which have broad appeal to both locals and visitors to Greytown, a spacious reception/retail area and a conservation room where objects within Cobblestones Museum could be preserved and collated.

"The new development provides a perfect opportunity to review our current situation, the collection and improve our museum practice. We will continue with a responsible stewardship of Greytown's landmark Museum to ensure generations to come will reap the benefits of the decisions we make now", says Chairman Graeme Gray.

DESTINATION WAIRARAPA

DESTINATION WAIRARAPA MARKETING MANAGER, BARB HYDE AND DOMESTIC MARKETING EXECUTIVE, SARA RENALL DISPLAY THE RTO'S NEW SMART PHONE AND TABLET-FRIENDLY WEBSITE. WWW.WAIRARAPANZ.COM

Trust House funding enables Destination Wairarapa to market the region as a travel destination for domestic and international visitors

In the last financial year, Destination Wairarapa (the Regional Tourism Organisation) made leaps forward in marketing, conferences and launching the Rimutaka Cycle Trail, a 'Great Ride' on the NZ Cycle Trail. Highlights included the new wairarapanz.com smart phone and tablet-friendly website which provides a mobile solution for visitors to book accommodation and activities. This is supported by the new format 2014 Wairarapa Visitor Guide & Wine Trail Map.

The launch of the Rimutaka Cycle Trail has been the catalyst for several new tourism operators to open their doors. The plans going forward are for nothing but growth.

Several international conferences are in the pipeline for coming years through trade show involvement and Tourism New Zealand collaboration. Destination Wairarapa has assisted a number of local conferences with promotional material and organising activities for delegates.

It's estimated that tourism generates in excess of \$136 million to the region. With 4% guest night growth in the last year, (the best result in seven years), credit card transactions up by 7% and projected growth going forward, tourism will remain an important component of Wairarapa communities into the future.

MASTERTON TOWN SQUARE

The changing face of central Masterton

For many years, prominent Mastertonians promoted the projects of a Town Square, as Masterton was lacking many open places within the Town Precinct which were available to residents and visitors.

It was decided that the Town Square Project would be revived and in April 2013 the Trust House Foundation was approached to be the major funder of this new beautiful green space.

The Town Square is situated on Chapel Street between the historic buildings of the Public Trust, Town Hall, the Times Age and the Perry Street precinct. The design is of an open square with a fountain in the middle, surrounding trees, park benches and a Maori designed courtyard leading to the Town Hall.

Within weeks of opening the square was utilised for the 12 Nights of Christmas which brought the community together, as it was designed to do!

The Trust House Foundation is proud to be the major supporter of the Town Square.

How to apply for a grant

The Trust House Foundation provides more than \$2.5 million dollars of grant funding per year to community organisations and initiatives in the Wairarapa that enhance the lives of all who live here.

If you are a member of a community organisation that wishes to apply for funding for your next initiative, here's how.

1. Complete an application form – grant application forms are available from any Trust House business, and can be downloaded from our website www.trusthouse.org.nz. You can also call us on (06) 370 0520 and we can post a form to you.
2. Submit a full application by mail – your application form requires some additional information; be sure to include all the documentation required by the Foundation. This helps the Trustees make an informed and considered decision about allocating funding. The application deadline for each funding round in 2014 is listed below.
3. If your application is accepted, the Foundation will advise you how to access the funding. If your application is declined, you are welcome to apply again in a subsequent round.

WHAT HAPPENS?

The Trust House Foundation has six Trustees who are responsible for evaluating the grant applications and making the challenging decisions about where the Foundation's limited funds are allocated. They are also responsible for approving the Grant Funding Policies and for the reporting and compliance activity required by the Department of Internal Affairs. The Trustees meet 10 times per year.

Please note:

- The Trustees recently reviewed and approved their evaluation criteria, systems and procedures for funding for community groups. These approved Policies for Grant Funding are available from any Trust House business, online at www.trusthouse.org.nz, or can be obtained by contacting the Community Support Secretary at Trust House on (06) 370 0520.
- Applications can only be submitted to the Foundation by mail.
- Organisations can only receive one successful grant per year.
- Questions and comments about grant applications may be directed to the Foundation using the contact details below.
