keeping local community boaties safe

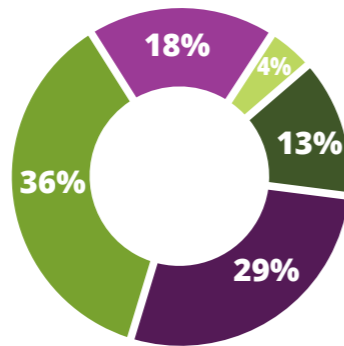

Coastguard Mana

The recent grant from Trust House has enabled us to carry out significant maintenance on the vessel thus keeping it operational and available to assist keeping local community boaties safe in our waterways. We

greatly appreciate all the assistance given to us over the years. Without the help of Mana Community Grants Foundation, and now Trust House Foundation, we would struggle to remain operational throughout the year.

fostering Scottish arts, culture & heritage

The Highland Gathering came about in 2002 when two Highland Games enthusiasts formed a partnership with the Upper Hutt City Council. The result, a cultural event showcasing dancing, piping, drumming, Clan gatherings and strongman competitions; the event provides exciting entertainment and competition for families to enjoy.

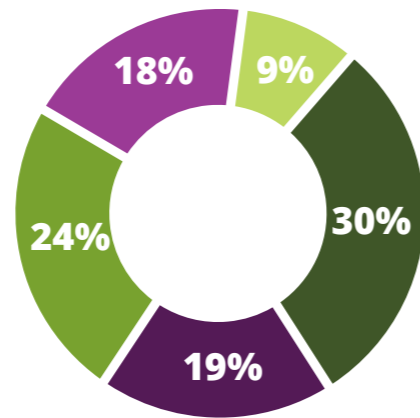

"The support of Trust House in assisting with costs of running this event is greatly appreciated and assists in making the event a successful one."
