TRUST HOUSE FOUNDATION

In Appreciation of Your

SUPPORT 2016

On Behalf of All The Members

From The

To The Team at the Trust House Foundation

On behalf of our many members and supporters of the St George Rugby League Club based in Porirua, I would like to offer our sincere thanks and gratitude for the continued support your foundation has generously provided our Club and Community for the Season 2016.

The funding enabled the Club to purchase much needed uniform shorts, socks, accountancy fees, laundry expenses, WRL Fees, Ground/Field Fees which we were extremely grateful for the opportunity to have the funds to pay these expenses immediately once funding was received.

As the Treasurer of the Club, I would like to especially thank Jane who made the application process very easy, and was always available to guide me through if I had any questions. Also a huge thanks to Lee who is an amazing lady for all your continued support and guidance throughout the years, especially with the changeover of Trusts.

Please find a selection of photos taken during the season 2016 for your enjoyment.
